STATISTICAL MANAGEMENT SYSTEM (SMS) – UPDATE OF CLIENT SOFTWARE

Please be informed that Labuan FSA has updated the SMS' client software in June 2014 to further improve the system's functionalities and controls. The new features in the patch include a range of usability improvements and general enhancements for SMS.

The enhanced features particularly on Forms' Build-In Cross Checks is described in latest Reporting Guide as provided in the links below:

<http://www.lfsa.gov.my/client-server-applications>

https://www.labuanfsa.gov.my:8082/patches/patch_sms_all_20140122.zip

Reporting Entities are advised to install and run the patch within a one week period from 23-30 June 2014. Technical support will be available during this period to resolve any problems arising during the installation of the patch. Should you need any clarification or support, please contact the following officers:
