

How does the Ford Extended Service Plan benefit you?

Ford Extended Service Plan (ESP) takes care of your vehicle maintenance for up to 5 years, depending on the chosen plan. Enjoy savings on maintenance parts and labour while protecting yourself against any possibility of a price increase.

Next-Generation Ford Everest

Next-Generation Ford Ranger Raptor

Next-Generation Ford Ranger

Next Level Convenience For Next-Generation Vehicles

Keep your Ford running at optimal performance with our Extended Service Plan (ESP), the only maintenance plan you will need for peace of mind and convenience.

Terms & Conditions:

1. Purchase of ESP must be made prior to the first vehicle service before 10,000km or 6 months from purchase, whichever earlier. You can choose to purchase the plan together with your vehicle upfront.
2. Follow the recommended service interval as per your Service Guide booklet provided.
3. This plan is only available at all Ford Authorised Dealers.

Benefits:

Genuine Ford Parts
for optimal performance.

Certified Ford Technicians
for professional service.

Plan is Transferable
to improve resale value.

Smarter Savings
with discounts and protection
against inflation.
